Class Expectations

Listen and Follow Directions

Respect Yourself and Others

Come to Class Prepared

Plagiarism will be handled in accordance with the student handbook.

Nominations for **Student of the Month** will be based on character, leadership, attitude, and academic excellence.

Hall Pass Use

If you need to exit the room at any time, please sign out on the sheet at the front of the room. Please keep in mind that excessive hall pass use will affect your daily participation grade.

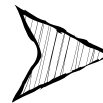

Turning in Work

Assignments should be completed, printed, turned into Google Classroom, etc. before coming to class. Additionally, for longer, more extensive projects, each task or checkpoint needs to be completed for a grade on the final product.

Make-up work will be accepted according to the rules outlined in the Student Handbook: the student is allowed two calendar days after his/her return to make up all work for absences. If the student has missed a test or quiz, **it should be completed on the day of his/her return.** Make-up work will be posted on Google Classroom.

Daily homework assignments will not be accepted late. Projects and papers will lose 20% each day they are submitted late.
