

Why should I use the Sheridan school website and Parent Portal?

The website www.sheridan.k12.mt.us is available 24 hours a day and contains the school master calendar and contact information for teachers and staff. You can find out information about the school district, Student Portfolio projects, teacher information letters and athletic schedules. At your convenience, click around the website and see all of the information at your fingertips.

What is the Parent Portal?

All students have a student username & password but having your own Parent Portal username and password will allow you to access all of your students with only one login.

The Parent Portal allows parents to view:

- homework assignments
- immunizations on record
- unofficial high school transcripts
- and much more.

You can even adjust your contact settings for the auto messenger that contacts you every Monday.
